

How to specify cavity sliders:

1. Select Altro product type. E.g. Euro Cav
2. Specify finish type. E.g. Square-set
3. Add any accessories e.g. Including Fluid Hide Italian Soft Closer, Svelto Connect.
4. Add track colour.
5. Add door size (If applicable – e.g. “Size varies – refer to door schedule).
6. Installation instructions. (If applicable – E.g. Floor-to-ceiling doors – track to be flush with ceiling).

Example:

“Cavity Sliding Doors (Door Type X)

Altro Euro Cav Square-Set

Including Fluid Hide Italian Soft Closer, Svelto Connect.

Track to be powder-coated Satin White

Sizes vary – refer to door schedule”

How to specify door jambs:

1. Select Altro product type. E.g. Euro Jamb Square Set Single Rebate
2. Select hinge type. E.g. Stainless Steel Hirline Hinges
3. Add door size (If applicable – e.g. “Size varies – refer to door schedule).
4. Installation Instructions. (If applicable – E.g. Floor-to-ceiling doors – No header required, door jamb to run into ceiling).

Example:

“Internal Apartment Swing Doors (Door Type X)

Altro Euro Jamb Square-Set Single Rebate

Stainless Steel Hirline Hinges – installed as per Altro’s written instructions

Sizes vary – refer to door schedule”
